* Credit applies to new activations that sign up on one of our Value Plans. The referred party must remain active on the plan for a minimum of 3 billing cycles and be in good standing. Credits will apply after that time. In addition, all leads must be registered with us via fax, mail, or email before our initial contact with the prospect so that we can track the lead to you. We will notify you if this lead has been previously registered. No credits apply to previously registered leads.
